UX/UI PROJECTS

Making EV Charging Station Discovery Easier for EV Owners

MAJOR UX CASE STUDY I FIGMA

Defined why **EV owners struggle to find a charger** that is available, compatible and right for their needs. Took it from research, pain points and personas through journey mapping, information architecture, user flows, wireframes and iterations to an interactive prototype.

Personalized Workout Planning for New Gym-Goers

MINOR UX CASE STUDY I FIGMA I FIGJAM

Tackled why **new gym-goers struggle to build a plan** that fits their goals, experience, time and abilities. Covered problem definition, user profile, user flows, wireframes and interface design.

Woocommerce Website

AI-POWERED PRODUCT & MODEL VISUALS (www.drtalats.com) (www.sehatclinic.com)

Created **AI-generated product visuals** and website creatives for the entire WooCommerce store, eliminating the need for a traditional product photoshoot. Developed consistent, product-focused imagery optimized for web placement and brand presentation.

WORK EXPERIENCE

Brand Designer / Graphic Designer

DR TALATS I NOV 2024 - PRESENT

Lead end-to-end creative for Dr Talat's Dubai Clinic, Chennai Clinic and brand, covering branding, Promotions, Banner Creatives print, packaging and label design, social media, UGC content, product shoots and digital experiences. Develop creative strategies, campaign concepts, copy and shoot scripts, while directing productions and creating cohesive visual communication across online and offline touchpoints. Design website and blog creatives, and leverage AI tools to accelerate ideation, visual production and content development.

Branding / Advertising Designer

EDGE STUDIOS I JUL 2023 - OCT 2024

Led branding and **advertising design** for premium clients including Beam Suntory, Courtyard by Marriott, Pind Restaurant, JP Hotels and healthcare brands. Developed campaign visuals, brand collateral, promotional materials, signage and print assets from concept to execution. Managed client requirements, coordinated with print vendors and ensured consistent visual quality across advertising and physical brand touchpoints.

Jr. Agency Graphic Designer

INFWO SOCIAL MEDIA I 1 YEAR

Produced social media posts, ads, stories and banners for multiple clients simultaneously, adapting layouts, content and visual direction to individual brand guidelines while delivering high-volume creative work under tight deadlines.
